Hello Sir/Madam

I am the resident of this address since May 2024. I picked up my letter for the property taxes in June from the mailbox and found out that my builder owed approx. 1800\$ to the city which are now passed on to me. I was already going through tough times with this construction and it was a big amount to chew on for myself which i was not even responsible for. I was trying to get hold of the builder and unfortunately i couldn't. Eventually, i didn't want to pay the penalty as well so i went to the bank on the 29th and paid the 1858.31\$ + 1980.70\$ to setup the monthly payment plan with city for my annual taxes. My wife mailed the letter to the city on 29th with VOID cheque and filled Tax Installment form. But when i checked the mail on the 3rd evening, i found the letter as is back in the mail which means it never reached out to you.

I am kindly requesting the penalty to be waived off since this is the first time this has happened in my 10 years in Alberta. I will be very thankful for your consideration.

Thanks
Gunmeet Tuteja
