Report

As per Bylaw 1027-23 Council Committees Bylaw, "An Advisory Committee may hold up to eight (8) meetings per year" and "Any additional meetings for an Advisory Committee must be approved by Council motion."

The Arts Advisory Committee would like to hold two (2) additional meetings to specifically address the Arts grant funding program deliberations.

Financial Analysis

Any additional approved meetings can be addressed through internal resources and approved budget.

Risk Analysis

The risk is the impact to the committee's annual work plan capacity. The grant review and subsequent evaluation will require additional committee time. Should two (2) additional meeting times not be approved, the committee will be required to reduce the planned work activities for 2025.

Community Insight

If approved, the additional meetings will be added to the City of Beaumont Committee website page.
